

CFOT *Open House*

THE SALVATION ARMY
COLLEGE FOR OFFICER TRAINING
WESTERN TERRITORY

EXPERIENCE. ASK. DISCERN.

The CFOT Open House provides a personal, informal opportunity for prospective candidates who are considering officership.

Experience life at the college firsthand. This visit gives you the chance to tour the campus, attend classes, and connect directly with the Training Principal and Candidate Secretary. Ultimately, this experience is designed to show you what a day in the life of a cadet is truly like, helping you confirm your calling to officership.

FOF will continue to be the primary opportunity for those who are more seriously exploring officership, while the Open House serves as an additional touchpoint for those who may need a more individualized conversation and experience.
